

ICEBOXES IN HEAVY DUTY QUALITY

Dometic iceboxes feature an extremely effective insulation system. Fitted with ice packs or ice cubes, they can keep groceries, fish, bait and wild game fresh for several days. The new facelift models of the popular series are even cooler. Practical accessories like seat cushions, fishing rod holders and bottle openers make them

indispensable companions for fishermen, hunters and other nature lovers. The modular storage system, consisting of wire baskets and dividers, organises the content. Available for all new Cool-Ice models (43 to 111 litres).
